Dear Mr. Weisberg:

This is in reply to your letter of February 27, 1968 concerning records of the Warren Commission.

The four pictures relating to Commission Document 1534 to which you refer are not in the National Archives, nor is an original report from which CD 1534 was paraphrased. We have no material in addition to that which has been furnished to you related to Norman Similas and other people mentioned in the documents related to Similas.

Material related to the "Minutemen" organization is being copied and will be mailed to you as soon as the copies are completed.

Sincerely yours,

James B. Rhoads
